Dr. Akhilesh Das Gupta Institute of Technology & Management   2020 - 2024
B.Tech. - Computer Science & Engineering | Percentage: **95 / 100**

DAV Secondary Public School, Rohtak, Rohtak   2020
12th | CBSE | Percentage: **84 / 100**

DAV Secondary Public School, Rohtak, Rohtak   2017
10th | CBSE | Percentage: **80.33 / 100**

INTERNSHIPS

Vault Of Codes | IT / Computers - Software   05 Oct, 2023 - 05 Nov, 2023
Junior Web Developer

Key Skills: HTML5   CSS   Javascript   Django

Working in Vault Of Codes helps in creating different types of pages and a project.

PROJECTS

E-commerce Shopping Website (shoppe)
Team Size: 1

Key Skills: Django   Html   Javascript   CSS   Bootstrap

Project Link: https://github.com/qJNC/Eshopping-Project

Developed and maintained a dynamic e-commerce website featuring a wide range of products and seamless user experience. Managed product inventory ,including uploading product details ,images,and descriptions and ensured accurate and up-to-date information on the website.

Cardiovascular Issues Predictions using ML
Team Size: 1

Key Skills: Python   Javascript   Machine Learning   Django   HTML5   CSS   Bootstrap

Project Link: https://github.com/qJNC/HeartSage

With Accuracy of 99% I'm predicting the cardiovascular troubles in any patient by gathering their general information like Calories, Blood Pressure, Age and Any previous heart related issues.
Visualize the records in the form of charts and booking Appointments in Web Application.

Visualizer Dashboard

Key Skills: HTML5   CSS   JAVASCRIPT   DIANGO   PYTHON   SQLITE

Project Link: https://github.com/qJNC/Visualizer_dashboard

Created a dashboard having various types of charts using chartjs.
Using Glassmorphism which makes website elegant.
Django as backend and SQLITE as database.

ASSESSMENTS / CERTIFICATIONS

Python for beginners

Key Skills: Python

I got certification of Python from simplilearn.

Web Development

Aggregate: 100 / 100
Subjects: Web development (100 / 100)

Key Skills: Html Css Bootstrap SQL PHP

I've learnt the tools used in Full Stack Development from Intershala

Artificial Intelligence

Aggregate: 93 / 100
Subjects: Artifical intelligence (93 / 100)

Key Skills: Machine Learning Python

I have finished the basics of machine learning and python during the course offered by IBM

SEMINARS / TRAININGS / WORKSHOPS

AI by IBM **Institute Name:** Dr. Akhilesh Das Gupta Institute of Technology & Management 02 Aug, 2022 - 17 Sep, 2022

Key Skills: Machine Learning Python

I have completed the basics of Machine Learning with the help of programming language "Python" under the supervision of IBM trainers.

Web Design & Development 02 Jul, 2021 - 11 Aug, 2021
Institute Name: Intershala

Key Skills: HTML5 SQL PHP CSS Bootstrap

During this training, I have learnt the Front End languages like HTML5, CSS3 & Bootstrap, Back End language as PHP along with SQL database language.

CO-CURRICULAR ACTIVITIES

- AI Training by IBM

EXTRA CURRICULAR ACTIVITIES

- Python certification by Simplilearn, Web development by Internshala

PERSONAL INTERESTS / HOBBIES

- Learning New Development Skills
- Football
